IV Listen and Choose the Best Answer (35 分，每題 7 分) CD2: 16

言談理解。仿會考

(C) 1. (A) She will make less trash.

(B) She will follow the rules.

(C) She will follow the boy's example.

CD:

1. G: What are you doing?

B: I'm picking up the trash in the park.

G: What for?

B: Then everyone will have a clean park to enjoy.

G: Why didn't I think about that? Let me help you.

Q: What will the girl do?

(C) 2. (A) In a bakery.

(B) At a restaurant.

(C) In a tableware store.

2. W: Good afternoon. May I help you?

M: Yes. I'm looking for some forks for kids. Do you have smaller ones?

W: Sure. What about these?

M: Hmm, they look nice, but they're all plastic. Do you have metal ones?

W: Of course. This way, please. What about these ones?

M: They look perfect. How much are they?

Q: Where might the man be?

(A) 3. (A) Fried rice.

(B) French fries.

(C) Fried noodles.

3. W: What did you eat for lunch yesterday?

M: I planned to get some fast food, but on my way to the fast food restaurant, I met Nancy.

W: And then?

M: We talked for ten minutes, and then we decided to have lunch together.

W: What did you eat?

M: She found a restaurant. We walked in and ordered fried noodles, but we ended up eating fried rice because they didn't sell noodles that day.

Q: What did the man and Nancy eat finally?

(C) 4. (A) Throwing away food.

(B) Paying for their food.

(C) Not using plastic bags.

4. B: Mom, what are you looking for? We got all the food for this week.

W: I need a big bag to carry the food home after we pay for it.

B: We can buy a plastic bag.

W: No more plastic bags. They are bad not only for the animals but also for the Earth because they take a long time to break down.

B: Got it. From now on, we should bring our own bags and use them over and over again.

Q: What are the boy and the woman talking about?

(C) 5. (A) Steve used to be a fisherman, but now he isn't.

(B) Steve's wife tells people to leave trash on the beach.

(C) Many sea animals lose their lives because of the trash.

5. W: Steve is a fisherman. He used to catch a lot of fish. But now there are fewer and fewer fish. On weekends, people come to the beach around his house, have parties, and then leave trash there. Many sea animals lose their lives after they eat the trash. So, he and his wife started to pick up the trash on the beach, and tell people to collect theirs and take it home. If everyone can do that, maybe one day there will be more fish in the sea again.

Q: Which is correct?
