W: Hmm. It's really fashionable.

Q: What is the woman doing?

3. M: Why do you often buy Anderson's jeans?

W: They're cheaper. A pair of jeans usually costs more than NT\$2,000. But a pair of Anderson's jeans costs only NT\$600.

M: Really? I can't believe it!

W: It's true. They're also very comfortable. Look at these jeans on me. I wear them almost every day.

Q: What is the woman talking about?
