CD:

1. Did you hear something strange last night?
2. Who were you with during the weekend?
3. Oh, no. We won't have clean water for the next three days.
4. Why did the glasses break into pieces on the floor?

IV Listen and Choose the Best Answer (35 分，每題 7 分) CD2: 12

言談理解。仿會考

(A) 1. (A) Get under the table.

(B) Get out of the building.

(C) Open the door and windows.

CD:

1. W: Don't you feel the house shaking?

M: Yes, it's an earthquake!

W: Let's get out.

M: No, just hide under the table.

W: OK.

Q: What are the man and the woman going to do next?

(C) 2. (A) Turning on his toes.

(B) Trying on new shoes.

(C) Having a bad experience.

2. G: What happened to your foot?

B: I got hurt when I walked in the park yesterday without my shoes on.

G: Poor you.

B: I'll never walk outside without my shoes on.

Q: What are the boy and the girl talking about?

(C) 3. (A) Visit them.

(B) Give them money.

(C) Share her room with them.

3. W: Did you watch the news about the earthquake?

M: Yes. It took 12 people's lives, and more than 50 people lost their homes.

W: How can we help them?

M: I'm going to give money to help them.

W: Me too. And I'll pay them a visit and give them warm clothes.

Q: What is the woman NOT going to do to help the people?

(C) 4. (A) Some fish can jump very high.

(B) Some birds can make a loud noise.

(C) Some animals can feel an earthquake before it happens.

4. M: Katy, I just saw some fish jump out of a pond.

W: Wait. Listen, those birds in the trees are making a loud noise. Maybe these were two signs of a coming earthquake.

M: What do you mean?

W: Some animals act strangely because they can feel an earthquake before it hits.

M: Oh, I feel it now. Can you feel the ground shaking?

Q: What is the woman talking about?

(A) 5. (A) By watching TV.

(B) By reading a newspaper.

(C) By listening to the radio.

5. W: Good afternoon, everyone. This is Gina Lin. Welcome to our news report. As you can see, this old building fell down because an earthquake hit at 9:03 a.m. today. Luckily, no one got seriously hurt because most people were out at school or at work. Now we see the police stopping a woman from going in. Let's find out what happened.

Q: How do you know about this news?
