Hi, I'm Peter. Two years ago, I was the shortest player on my school's basketball team. Everyone else was much taller, faster, and stronger than me. To make things worse, I always got the fewest points, so I felt sad.

One day after practice, I decided to quit the team. However, when I opened my bag and got ready to go home, I found many cards in my bag. They were from my teammates. They wrote the cards to encourage me to believe in myself. I was so lucky to have these guys in my life. So, I kept on playing for the team. After that, I was the first one at practice every day, and I tried different ways to improve my skills. Now, I play much better. Most important of all, I am very happy because my teammates are always there for me.
